

Example Training Schedules

Here you can find sample training schedules from past and current CommCare projects. These can serve as useful examples to plan for a CommCare training.

Description	Language	Comments	File Name
Generic 3-day Training Schedule	English	Java deployment, maternal and child health application with case management	Generic 3 Day Training Plan
Generic 2-day Training Schedule with Checklist and Common Troubleshooting	English	Java deployment, maternal and child health application	CHW Training Schedule
2 Day Training Schedule for Android deployment	English	Android deployment, maternal and child health application with case management	MVP 2 Day Training Plan
Scale-Up of Pilot - Generic Training Schedule	English	Java deployment, maternal and child health application	CommCare Scale Up - Training Plan
TOT and Supervisor Training Checklist	English	Generic checklist for a training of supervisors/training on CommCare and CommCareHQ	TOT and Supervisor Training Checklist

We currently have several training plans in Spanish courtesy Jesse Ventura and TulaSalud, these can be found in the attachments below.
