

# About CommCare

This page contains background and general resources about CommCare and the CommCare Help Site.

## CommCare Resources and Background

[CommCare Evidence Base](#): Learn about the growing body of evidence about how CommCare can be an effective tool in your project

[CommCare Term Glossary](#): This page lists useful terminology and describes concepts which are helpful in understanding CommCare and the instructions in the following pages.

[CommCare Videos](#): Partner-produced videos and Dimagi-generated tutorials

[CommCare Plans](#): Details about the different components of CommCare Plans

[CommCare Pricing FAQs](#): Frequently Asked Questions about CommCare's new pricing model.

[Dimagi](#) is the company behind CommCare- visit our website for more information

[mHealth Community](#): General resources for mobile health projects related to health

[Open Source Software](#) refers to software that is made freely available and can be modified or redistributed. All of Dimagi's software (including CommCare) is open source.

## About the CommCare Help Site

We do our best to keep the help site up-to-date but our technology is developing fast! If you have a comment or question about a specific page on the help site, we recommend leaving a comment on that page. We will be notified and follow up with your question; however it is important that you leave a comment while logged in so that you will be notified when we reply.

You can also export any page on the help site as a pdf document; after logging in select the "export" option under "tools."

If you have a question about using CommCare that is not addressed on the help site, don't hesitate to contact the [CommCare Users Group](#).

If you are a developer and have a technical question, please contact the [CommCare Developers Group](#)
